Alexander Feinberg, regardless of language or nationality, all literature in Uzbekistan well known and respected by devotees. Well-known Uzbek poet Abdulla Oripov said, "As for Alexander Feinberg's work, everything is high words do not reflect even a hundredth of the truth, because he is actually a unique poet and was a translator. A world-class writer, ... none of the Russian-speaking writers can't sing a hearty song to our sunny land." - described it as. Collections of his poems were passed from hand to hand, songs were sung based on his texts, films based on his scripts were shown, new translations of his works into Uzbek are now available is being carried out every day. Important dates related to his life and work are held every year is celebrated, poetry evenings dedicated to the poet's legacy are being held. Why did Alexander Feinberg deserve such popular love and appreciation? Firstly, bright, unique poetic talent, high aesthetic level of literary works. The first is one remained the measure of artistry for Uzbek poets for several decades. Ten four sets, numerous performances on stage, radio and television span several generations It is no exaggeration to say that he educated his students.

Alexander Arkadevich for us, for the people of Uzbekistan, is the real of his homeland very valuable for his patriotism. To the best traditions of Alexander Feinberg's classical poetry and the land of Uzbekistan. An incomparable and unique work infused with feelings of love is special in the history of our literature is a page. The poet spent his childhood in the difficult years of the Second World War in Tashkent in 1939 was born. In his works, he shows the kindness and generosity of the Uzbek people found an artistic reflection. After entering the Tashkent College of Topography, Feinberg worked as a geologist wandered around the country and fell in love with its beautiful nature. Exactly during this period, his first book "Bike Lane" was published, through which Alexander Feinberg rose to the top ranks of the literature in Uzbekistan. Feinberg graduated from the Faculty of Journalism of the National University of

Uzbekistan one after the other more than ten poetry books were published - "Etude", "Moments", "Press the sky", "Uzok" bridges", "Short wave" and others. Feinberg contributed greatly to the publication of Alisher Navoi's works in Russian in 10 volumes. He also translated the best examples of modern Uzbek poetry into Russian. At the same time, the poet's works are regularly translated into Uzbek, and he is Uzbek became a favorite poet of his readers. "Chig'ir" (in Uzbek) and other similar collections published in recent years by the poet as a unique creative writing, came to the attention of poetry lovers. Many of Feinberg His contribution to the development of national Uzbek literature was duly appreciated by the government. "Honored Culture Worker of the Republic of Uzbekistan", "People's Poet of Uzbekistan" The fact that he was awarded the honorary title is our boundless respect for this great man is proof. Brilliant poet, talented translator, caring teacher Alexander Arkadyevich Feinberg, his memory will remain in our hearts forever. Aleksandr Arkadyevich Feinberg was not only a Russian poet, but also a poet of Uzbek literature. He was one of the owners of rare talents. The poet is inexhaustible and inexhaustible bequeathed his works. The charm of his poetry is very different character and views and won the hearts of people of different ages. Alexander Feinberg's creativity is the spirit of independence. It means that he served for the benefit of the nation the steadfastness and kindness of Uzbekistan and the Uzbek people in the dark times praises. At that time, everyone thinks of saving their lives, but their humanity is high, the Uzbek say that they take the nations that have suffered misfortune into their bosom and pat their heads. He acknowledged his infinite gratitude with warm affection. He ate his bread. He shared with others and saved the lives of those in need he bowed down to the ground and thanked him. The poet feels all his feelings. He wrote down his feelings and shared them with the readers.
